

ELECTRONIC ATHLETIC FORMS

Parents,

All athletic paperwork must be turned in online, with the exception of the Physical. This will include seven forms that need to be signed before your child can participate in any practice or game. You will do this all electronically. If the forms are not signed or filled out correctly, you will receive an email telling you what needs to be completed.

The only hard copy paperwork that I will need from you is the Physical. This needs to be completed by a doctor, and needs to be filled out on the UIL's physical sheet. You can turn this into the front office or me any time before school starts.

Directions to fill out online forms:

- 1) Go to: <https://lewisvilleisd.rankonesport.com/New/NewFormList.aspx>
- 2) Fill out all 7 Forms
- 3) Make sure you get conformation after each form is submitted
- 4) Everything will be sent to me electronically as soon as you finish.

If you have any questions, please email me at libbya@lisd.net

Thank you,
Drew Libby
